FOREWORD

We express our deep gratitude to YHWH our Father, to Yehoshua ha Mashiah (Jesus Christ) our Lord and to the Holy Spirit, our faithful every day companion, for the grace and mercy that has been given to us to carry this message. For this message is written to build the Body of Christ. I don't think I'm any better than all those Servants of ELOHIM to whom this Book is intended. It was out of pure grace that YHWH (GOD) chose me to carry this message, as a weak thing, to confound the strong according to what is written: **"But God chose the foolish things of the world to confound the wise; God chose the weak things of the world to confound the strong" (1Corinthians 1:27)**. In writing this book, I do not place myself at all above the fray. I am only fulfilling the first duty of a messenger to deliver faithfully the message that has been sent to him. So it was in response to the divine burden placed in my heart that I wrote this message.

You may be able to detect errors in understanding YHWH's thinking, errors in interpretation, and gaps in the transmission of YHWH's thinking. In all sincerity and purity of heart before YHWH, I have conveyed in this book what I consider to be the thought of the Heart of EL. Anyway, the Scriptures tell us: **"But examine all things; Remember what is good" (1 Thessalonians 5:21)**. And I understood, by the grace of the Lord, that what is good is not always what suits us. I therefore encourage you to judge the content of this book and keep what is good. If the message is correct, then obey it as YHWH will hold you accountable for your rebellion to his Word handed down. May ADONAI also spare you from any error of judgment, in the Name of Jesus Christ! May the spirit of rebellion and pride not make you say that the message is neither good nor faithful to the word of YHWH, simply because it does not tell you what you would like to hear, even as your conscience condemns you and the Spirit bears witness to what his word, in this book, is addressed to you personally. It's not talking about your pastor at all, but about you reading it. By the grace of the Lord, we will continue to sound the trumpet to edify, exhort and console men.

MAY YHWH BLESS YOU!!!!!!!!!!

INTRODUCTION

UAt night while I was praying, I had a vision and in that vision the Lord opened my eyes and I saw wolves that were being ambushed and another wolf had stepped forward and was struggling with a sheep. And then the vision stopped. And for a few days I was trying to understand this vision and the Lord began to teach me.

Many sheep do not realize that they are in the midst of wolves. While our YEHOASHUA HA MASHIAH (JESUS CHRIST) said so well:

"I send you out like sheep in the midst of wolves."

Matthaios (Matthew) 10v16

(Version: BYM¹)

If I write this few words, it is precisely to awaken the consciousness of many, so that we watch out because the days are evil.

*"So take heed to yourselves and to all the flock among which the **HOLY SPIRIT** has established you as overseers, to feed the Assembly of ELOHIM, which he has acquired by means of his own blood. For I know this: that after my departure there will come among you ruthless wolves that will not spare the flock, and that from among yourselves there will be raised up men who will say perverted things to draw away the disciples after them."*

Acts 20 v 28-30

(Version: BYM)

The wolf gets very small and approaches you as discreetly as possible before exposing himself. Thus, many false brothers when they arrive in the assemblies become very small and when given positions of responsibility, it is then that we see their true face. And when they fail to access positions of responsibility, they begin to destroy and slander the brothers and sisters behind the scene. These wolves

BEWARE !!!

act from the inside because they are looking for positions to better operate. When they fail to achieve their goals, they crush siblings with oppression and aggression; they are masters in **defamation**, to tarnish your image because they chose the voice of **CAIN**. They are jealous of brothers and sisters who excel in ministry. They serve themselves instead of serving as the Master JESUS CHRIST teaches us. Many have infiltrated the congregations and the apostle PAUL had since told the elders. And we are in the midst of that word which the apostle PAUL had released before his departure from the land of the living. It is for this reason that, as a disciple of JESUS CHRIST, we must be careful and without mixing. In the following, we will see the different missions of the wolf, which is here, the image of the false prophets (**Matthaios 7v15**).

BEWARE !!!

I. SNATCH SHEEP (YOHANAN [JOHN] 10 v12)

Indeed, through teachings that come straight out of the world of darkness, they deny the Lord who has redeemed them.

“But there have also been false prophets among the people, as there will also be among you false teachers, who will secretly introduce sects of perdition, denying the Lord who bought them, and bringing on themselves a sudden perdition. And many will follow their losses, and because of them the way of truth will be blasphemed.”

2 Petros (Peter) 2v1-2

(Version: BYM)

They (*wolves*) teach pleasant things, to please the people. They promise them freedom, yet they are slaves to sin.

These wolves say to their followers, ***“Do as I ask you and don’t do as I do”***. Yet we know that we cannot give others what we do not have. Beloved, how can you listen to people who call themselves preachers and who are greedy, immoral, thieves, divorced and remarried. Don’t you know that you share in their sins? For what part is there between light and darkness?

“They promise them freedom, while they themselves are slaves of corruption, for one becomes a slave to the one by whom one is defeated.”

2 Petros 2 v 19

(Version: BYM)

Example: The Gospel of Prosperity, funding appeals... They do the ministry to enrich themselves on the back of their followers, sell oil, water, blessed salt, rosaries, crucifixes, (as if JESUS CHRIST is that piece of wood they wear on their neck, put in their car or at the bedside. They preach the gospel that salvation is not lost (once saved, always saved), the gospel that if you do not pay your **thithe** you are cursed. Etc.....

BEWARE !!!

Their message is about money, beautiful cars, and beautiful homes. They love the front seats and they love the things of the world. **They call this the upliftment of GOD...**

“And, out of greed, they will make merchandise of you with deceptive words, they whose judgment has long been dormant and whose destruction is not dormant.”

2 Petros 2v3

(Version: BYM)

Example: The sheep who do not give tithes will be cursed; they promise death to all who leave their church building, etc.

They change the glory of incorruptible ELOHIM into an image made like to corruptible man. (**Romans 1v23**)

II. SCATTER THE SHEEP (YOHANAN 10v12)

Wolves scatter sheep by their poisonous tongue. Wolves (false prophets, teachers) are empowered to destroy true servants by using their tongue (**gossip, peddling, lying, false visions, enmity...**) The tongue is a weapon that false prophets (wolves) use in this end times to kill many servants; they make videos to destabilize the true servants of Lord JESUS CHRIST. They dominate and crush the brethren who want to advance with the Lord by belittling and discouraging them with hurtful words. **They never encourage brothers and sisters to respond**

to the Lord's call. Instead of perfecting the saints to answer their call, they destroy them with their tongue. Here are a few words from the mouths of his wolves: **“You're still young!”; “You can't succeed in the ministry!” ; “I close your ministry!”; “You will dry!”** Etc.

But they do not realize that JEREMIE, GEDEON... **were young people whom the Lord had encouraged by telling them to go with the strength they had. When you read this book, you wonder if you will succeed in the service that the Lord has entrusted to you. I want to say to you from the Lord: “Go with the strength you have”.**

BEWARE !!!

“And they said, Come, let us form a plot against Jeremiah! For the Torah will not perish from the priest, nor the counsel from the wise, nor the word from the prophet. Come, and let us kill him with the tongue, and let us not give heed to any of his words!”

Yirmeyah (Jeremiah) 18v18

(Version: BYM)

They are masters in cunning and always come in sheep's clothing because they speak of the Lord like all the rest of the sheep. They prophesy, while they have impure purposes and motivations within their hearts. **They do everything to be known to men and like to be called master.**

“But guard yourselves from the false prophets who come to you in sheep's clothing, but inside they are kidnappers.”

Matthaios 7v15

(Version: BYM)

They call themselves apostle, prophet, doctor, pastor... They like to recommend themselves. They bear bad fruits, which is why all those who follow them are troublemakers wherever they go. They feed themselves instead of feeding the Lord's sheep. **They do not have the character of our master, JESUS CHRIST.** Let's look at the scriptures! When the master multiplied the bread, it was to give to those who were hungry. YEHOSHU (JESUS) is the one who feeds the flock, strengthens the weak; he heals those who are sick, brings back those who are lost and seeks out those who are destroyed. While these false prophets do the works of the devil, who is their father; they have never been a subject of blessing for any sheep. They live in peace with those who encourage them in the path to perdition. They are the first to denounce the true shepherds and like to dwell on the errors of the latter to destroy them. They have no compassion for souls because they are always ready to finish off the wounded sheep and have no concept of love because they have a carnivorous nature. They violently and cruelly dominate the Lord's sheep and devour those who are fat. They prophesy when something is put in their mouths.

“The word of YHWH came to me again, saying: Son of man, prophesy against the shepherds of Israel! Prophesy, and say to these shepherds, Thus says Adonai YHWH: Woe to the shepherds of Israel, who feed themselves! Is this not the flock that the shepherds should feed? You eat the fat of it, and clothe yourselves with wool, you kill the fat, you do

BEWARE !!!

not feed the flock! You have not strengthened those who were weak, you have not healed those who were sick, nor bandaged those who were wounded, you have not brought back those who were driven away nor sought out those who were destroyed, but you have dominated them with violence and cruelty ..."

Yehezkel (Ezekiel 34v1-4)

(Version: BYM)

Glory be given to our Lord YEHOSHOUA (JESUS) who loves us. He says in the scriptures:

"Behold, I am sending you as sheep among wolves. So be wise like serpents, and simple like doves. Beware of men."

Matthaios 10v16-17

(Version: BYM)

The Lord of glory had warned us well about the environment in which he would send us. At the very beginning of my Christian walk, I was unaware of these things and I told myself that **everyone was holy** in the Church. I was not careful and naive and I took everyone as me. **I had to undergo many bites and tears**, then the lord made me understand that there are certain bites which are indispensable for our growth because there are certain barbarians who must see the glory of YEHOSHUA HA MASHIAH (JESUS CHRIST).

Beloved, the Christian environment is an environment where you can find everything; it is similar to a hospital where one finds all kinds of sick people and diseases. Glory be given to MASHIAH (CHRIST) who is the doctor par excellence and who continues to heal. And, to resist in such environments, one must have **the heart of the Heavenly Father**. Thanks to Jesus, I am still alive and I give him all the glory for the visions he grants me and the teachings he gives me through **these painful experiences**.

Beloved, you who read this teaching know that you are in the midst of wolves and if the Lord of glory has warned us of his things, it is because of his love. Because before us, he was in the world and he knows it better than us and if we want to escape these wolves, we must follow the teachings of Jesus Christ and put them into practice.

What shall we do to escape the wolves (false prophets, doctor, etc.)?

BEWARE !!!

“Behold, I am sending you as sheep among wolves. So be wise like serpents, and unmixed like doves.”

Matthaios 10v16

(Version: BYM)

Many people think it's a small matter, but I want to tell someone that it's more complicated than you think. Why am I saying this? The scriptures clearly tell us, in the writings of the apostle PAUL and PETER, that in the last days many will follow them. We are in those times when many follow these wolves in disguise to their own perdition.

“But the Spirit expressly says that in the last days some will turn away from the faith, clinging to deceiving spirits and doctrines of demons, by the hypocrisy of false teachers, having their own conscience branded, preventing marriage, commanding abstention from foods that ELOHIM created to be taken with thanksgiving by the faithful and by those who have known precisely the truth”

1 Timotheos (1 Timothy) 4v1

(Version: BYM)

“Many will follow them in their immorality, and the way of truth will be slandered because of them. In their lust for possession they will exploit you with deceitful words, but their doom is long looming and their doom will soon be.”

2 Petros 2v2-3

(Version: LSG21²)

Apostle PAUL tells the sheep, in the Holy Scriptures, to **beware** and to **watch** (Acts of the Apostles, 20). The sheep is weak in nature, but the master JESUS-CHRIST took the risk of sending us among these wolves. For this reason, and knowing our inability and weakness before wolves, we must rely more and more on the Name of **YHWH**.

“I will leave in your midst a humble and weak people who will put their trust in the Name of YHWH.”

Tsephanyah (Zephaniah) 3v9

² This used verse are translated from the French version of the bible entitled *Louis SeGond 21*.

BEWARE !!!

(Version: BYM)

“The name of YHWH is a strong tower; the just take refuge there, and find themselves in safety.”

Mishlei (Proverbs) 18v10

(Version: BYM)

III. PRUDENCE

CAUTION: is a source of life for those who possess it.

“Prudence is a source of life for those who possess it, but the correction of fools is their folly.”

Mishlei 16v22

(Version: BYM)

We understand by this that we must possess the source of life by receiving it as our Lord and Savior. In truth, without him we can do nothing. This source of life is our ELOHIM, YEHOSHUA HA MASHIAH (JESUS CHRIST). He created us to serve for his glory. Come to him and he will lead you into the light. You have been in the claws of wolves for a long time and you go around in circles like the people of Israel in the desert. You visited marabouts and these marabouts gave you things to eat, to plant for your protection; they made scarifications on your body and washed you naked to take away the bad luck on you; you even went through counseling, but you weren't successful. Today, I present to you this solution, this answer that the youth is looking for: YEHOSHUA MASHIAH (JESUS-CHRIST). He is the only one who could fill my heart, and restore my life, and I want to share with you this ELOHIM who is alive, who saves and who loves us.

BEWARE !!!

“If anyone is thirsty, let him come to me and drink. Whoever believes in me, rivers of living water will flow from his heart. JESUS was talking about the Holy Spirit that those who believed in him would receive (at that time the Spirit had not yet been given, because Jesus had not yet been glorified).”

Yohanan 7v37-39

(Version: BYM)

“For the source of life is with you, and by your light we see the light.”

Tehilim (Psalms) 36v9

(Version: BYM)

“The light was the real one that illumines every human being coming into the world. He was in the world, and the world was made through him, but the world knew him not. He came to his own, and his own did not receive him. But to all those who received him, to those who believe in his name, he gave them the power to become children of ELOHIM.”

Yohanan 1 v 9-12

(Version: BYM)

a) Prudence allows us to see the evil

“The prudent man sees evil and hides, but the stupid pass and bear the penalty.”

Mishlei 22v3

(Version: BYM)

My friend, without JESUS CHRIST we cannot see evil. It is for this reason that when we accept YEHOSHUA HA MASHIAH in our lives, he grants us his eyes which are like a flame of fire to see evil. The evil that can be the image of the false doctrines that many consume during their walk and never come to the knowledge of the truth. They are still threatened by night husbands and wives and bound by the practice of sin. For the food you eat will determine your spiritual growth. Today with the use of computers and various telecommunications networks, we are increasingly exposed to false doctrines that come straight from the world of darkness. It is important to always consult the Lord because he has not left us orphans; he gave us his **Holy Spirit**.

BEWARE !!!

The eyes of the MASHIAH allow us to see: the spirit of JEZEBEL, the water mermaid, the wolves and to be able to confront them.

Ahab, king of Israel, was seduced by the spirit of Jezebel and ended up marrying her precisely because he was not careful.

At one point in my walk, the Lord spared me from this spirit of JEZEBEL by keeping me from false covenants regarding marriage and false brethren. YHWH continues to keep me. During my walk with the Lord, I had many marriage proposals from several sisters and each of them came in turn to say to me: “**GOD TOLD ME that you are my husband**”. And one day, during a morning prayer, another one prophesied “**don’t you see the beautiful Gift that GOD is giving you?** This, speaking of her. Beloved, during your walk with the Lord, you must be careful and refuse to be with someone out of interest, because nowadays many marry in the evangelical milieu for financial reasons. It is for this reason that we find many divorces in so-called Christian circles; it’s time to be **cautious**. Regarding this marriage story, if I didn't have a pure heart, I would have gone with a water mermaid. Glory be given to Yehoshoua who keeps us like the apple of his eye. In my communication with the father, I always said: *"Lord, I want to do nothing and nothing but your will with regard to my life, my marriage, my ministry, because only you know what is good for me"* , and the Lord answered my prayer by granting me a submissive woman who fears his Holy Name (YHWH).

b) Caution allows us to see evil and hide

The Lord made me understand that he is the ELOHIM who hides his children. And the fact that the Lord hides us is quite biblical. During my walk, I experienced THE ELOHIM who hides his children.

I belonged to a local church in the square and in that church nothing functioned normally. So much sin abounded that we no longer knew where to put our heads and the works of the flesh were so manifest that it had become perceptible to the eyes of the pagans who were around us. We were so infiltrated by wolves that the lord in a dream visited me and spoke to me clearly and said to me, “**It’s time to get out of here!**” And without delay, I obeyed the voice of my heavenly father; I left everything to please my EL. Because of my obedience to the Lord, I was called **rebellious, misguided, proud, lost, sorcerer**, and most of the brethren I loved (not that I don't love them anymore) have all abandon me. Glory be to the Lord because the love I have for my loved ones is constant. Because the most important thing is to be with the MASHIAH

BEWARE !!!

(CHRIST). My friends, JESUS CHRIST said in his word that if we do this to a green tree, how much more we will do it to a dry one.

“For if you do these things to green wood, what will happen to dry wood? »

Loukas (Luke) 23v31

(Version: BYM)

I say thank you again to the Lord for the persecutions because of his Holy Name.

Because the persecution is a sign that shows that we are still with the MASHIAH. Himself YEHOSHUA said:

“You will have tribulations in the world. But take courage, I have conquered the world”

Yohanana 16v33

(Version: BYM)

I know that the titles we have will not open the door to heaven for us and today, I am a **DISCIPLE of MASHIAH (CHRIST)** and I am proud of it. And, when I left that local church, there was a series of scandals that caused many to return to the world, and many preachers embraced false doctrines; others have returned to what they previously denounced.

“But what is said by a true proverb happened to them: The dog returned to its own vomiting, and the washed sow wallowed in the mire”

2 Petros 2 v22

(Version: BYM)

My prayer is that the Lord will bring all these men back into the fold in the name of JESUS CHRIST. And, I firmly believe that if the lord had not **hidden me**, I would have returned to the world too, because no one has arrived.

And, I understood something magnificent: the Lord, to hide his children in his presence against the devastating winds of this world, will always give them a word because he knows that by obeying him, we will escape the traps of the enemy of our souls. In the obedience to the Lord, there is divine protection from the Lord and in the disobedience to the Lord, we expose ourselves. We can read The “Young and the Old Prophet”. The young prophet did not obey the counsel the Lord gave him and what followed was death. Beloved, let us learn to obey YHWH. Let's read in **1 MELAKHIM (KINGS) 13**.

IV. THE ELOHIM WHO HIDES HIS PROPHETS

In 1 Melakhim 17, after ELIYAH prayed, the bible tells us that it had not rained in Israel for 3 years and 6 months precisely because the sky was closed and YHWH will say to ELIYAH (ELIJAH): " **Hide you** near the torrent of KERITH which is opposite the YARDEN". And while he was hidden, the Lord himself took care of his food. We understand by this that when the Lord hides us in his presence, he himself takes care of our growth, our maturity, our training and he teaches us to rely on him alone. It is at this moment that we can say how much our YHWH is almighty and love.

And why does he ask ELIYAH to **hide**? It is precisely because there was famine in Israel and if ELIYAH did not obey, he had to die of hunger. Glory be to the Lord that he was able to obey. And we see that in the continuation of the book of **1 Melakhim**, he will do the same thing with certain prophets.

When JEZEBEL exterminated the prophets, many of them died precisely because they never understood that it is YHWH ELOHIM who hides his prophets. Indeed, it is not because we have the Lord's anointing in our lives that we must expose ourselves in battles where the Lord does not expect us. Beloved, let us never forget that it is the Lord who fights for us. And if the Lord isn't with us in a fight, there's no point in fighting. DAVID, to go to war, always consulted the Lord because he himself knew that without the help of the Lord, he could not defeat his enemies.

In **1 Melakhim 18**, the Lord will use OBADYAH (ABDIAS) to **hide 100 prophets in batches of 50 by 50** and the bible specifies that he fed them with **water and bread**, which is an image of YEHOSHUA HA MASHIAH (JESUS -CHRIST). When the Lord hides us, we must feed **on the word of our ELOHIIM**.

When ELIYAH was fleeing under the threat of JEZEBEL, after the victory on Mount Carmel, the Lord will ask him:

BEWARE !!!

“What are you doing here, ELIYAH? »

1 Melakhim 19 v9

(Version: BYM)

ELIYAH will begin to complain saying:

“I was very jealous for ELOHIM, the YHWH of hosts, because the sons of Israel forsook your covenant, they tore down your altars and killed your prophets with the sword, but I alone remained , and they seek my life to take it from me. »

1 Melakhim 19v10

(Version: BYM)

And the Lord will answer him saying:

“But I have reserved for myself seven thousand remnants in Israel, [know] all those who have not bowed their knees to Bahal, and whose mouth has not kissed him. »

1 Melakhim 19v18.

(Version: BYM)

In the new covenant, when Herod intended to kill YEHOSHUA HA MASHIAH (JESUS CHRIST), the Lord will send an angel to tell Joseph to take the mother and child and **hide in Egypt.**

“But after their departure, behold, an angel of the Lord appeared to Joseph in a dream and said to him: Awake, take the child and his mother, flee to Egypt, and remain there until I tell you, for HEROD is about to seek the little child to destroy him. And having awoke, he took the child and his mother by night, and departed into Egypt. And he remained there until the death of HEROD, so that it might be fulfilled which the Lord had spoken by means of the prophet, saying: I have called my Son out of Egypt.”

Matthaios 2v13-15

(Version: BYM)

Beloved, there are situations that the Lord will show you and tell you: **“Hide yourself so that this wind does not take you away!”** Because, there are situations that are similar to winds (Hurricane IDA, or Cyclone IDA...), and before this kind of cyclone arrives, you have to

BEWARE !!!

leave the place. The Lord can hide you for several years in a cocoon and when he comes out, the same people who said who made you judge over us will begin to ask you to eat and drink in the desert.

Look at all these men whom the Lord has revealed to the nations! The Lord took the time to hide them at a specific time, precisely because he wanted to train them and teach them how to rely on him.

The time the lord takes to hide someone may differ from individual to individual depending on the work he wants to do in the lives of his envoys. It is for this reason that we must avoid rushing to start anything without having received a mandate or an order from YHWH.

We take some examples of men who have been hidden by the Father and to whom the Father has manifested his glory, when he has revealed them to the world:

- YEHOSHUA HA MASHIAH (JESUS CHRIST) was hidden for 30 years and the father presented him to the nations for 3.5 years and today we are the fruit of his work.
- DAVID spent most of his childhood tending flocks and when the Lord awakened him in Israel, it was to free Israel from the fear of the great Goliath.
- MOSHE (MOSES) was hidden by the Lord, for 40 years, in the desert and was revealed by him, in Israel, to free the people who were in captivity in Egypt.
- YOSSEF (JOSEPH), who is the image of YEHOSHUA, the Lord hid him in Egypt so that he would be a subject of blessing for his brothers and for the nations so that they would not die of famine.
- And what more can I say? For, time would fail me to speak of Guid'ôn (Gideon), Barak, Shimshôn (Samson), Yiphtah (Jephthah), Shemouél (Samuel), and the prophets whom the Lord hid and then revealed to be signs to their generation. Lord, make me an instrument of blessing, of power in your hands and to serve you in total humility in the name of YEHOSHUA HA MASHIAH.

V. UNMIXED

BEWARE !!!

The very things of nature teach us that we cannot mix two species of different natures. For example, a rooster and a cane cannot mate; at the end of the crossing we will get absolutely nothing, because there is no relation between light and darkness.

“Do not put yourselves with the infidels under a foreign yoke. For what connection is there between justice and iniquity? Or what do light and darkness have in common?”

2 Corinthians 6 v14

(Version: BYM)

We understand that when the Lord Jesus Christ tells us to be unmixed it is in relation to false covenants.

We are in a century where many are making false alliances to make their ministry be known in the world, by signing pacts with agents of the devil, by preaching a message devoid of the power of the cross in order to please men.

Galatians 1:10 says: “For now is it the favor of humans that I desire, or that of ELOHIM? Or am I trying to please humans? Because, if I still liked humans, I would not be a slave of the MASHIAH.”

Many are disqualified precisely because at some point they have deviated from the straight path, desiring the glory of men more than the glory of ELOHIM. What good is it to a man to gain the world if he loses his soul?

“For they loved the glory of mankind more than the glory of ELOHIM. »

Yohanan 12:43

(Version: BYM)

Many are those who have made false covenants in the Holy Scriptures and the end was catastrophic. We see King Jehoshaphat going to associate with King AHAZYAH (ACHAZIA) and the work of YEHOSHAPHAT (JOSAPHAT) has been destroyed.

“After this Yehoshaphat king of Yehouda associated himself with the king of Israel, AHAZYAH (AHAZIAH), whose conduct was impious. He partnered with him to build ships to go to Tarshish, and they made the ships at Etsyôn-gueber. Then ELIEZER the son of DODAVAH, of MARESHAH, prophesied against Jehoshaphat, and said, because you

BEWARE !!!

have associated yourself with ACHAZYAH, the LORD destroys your work. And the ships were broken, and could not go to Tarshish.”

2 Hayyamim dibre (Chronicle) 20v35-37

(Version: BYM)

One day while I was praying before the throne of the father, YHWH told me clearly, “do not associate yourself with anyone except according to my order”, precisely because he gave me a mission to accomplish.

Beloved, false covenants have destroyed many ministries that the Lord has raised up. In matters concerning the service of ELOHIM, work with the people whom the Lord puts near you; don't go making false alliances. Really listen to the Holy Spirit.

YEHOSHUA (JESUS), to begin his ministry, prayed one hour for each disciple and all those who were with him were not the result of chance, because each one was there for a very specific purpose. And all those who walked with him were only there because of the answer to his prayer. The brethren with whom the Lord associates you to work in furthering the work of the kingdom are not dependent on our personal choice. When the Lord grants a vision to one of his children, he himself will raise up people with whom you will work. I want to say to someone on whom the Lord has granted a vision not to bother to make covenants on either side, because that will only lead you into chaos. Wait for your brothers and sisters while praying.

"Now it came to pass in those days, that he went up into a mountain to pray, and he spent the whole night praying to ELOHIM. And when the day had come, he called his disciples and chose among them twelve, to whom he also gave the name of apostles: SHIM'ON, whom he also called Petros, and Andreas, his brother, and YAACOV and YOHANAN, PHILIPPOS and BAR-TALMAÏ; MATTHAIOS and Thomas, YAACOV, son of ALPHAIOS, and SHIM'ON, surnamed Zealot, 1 YEHUDA of YAACOV, and YEHUDA ISCARIOT, who became a traitor.”

Loukas 6:12-16

(Version: BYM)

BEWARE !!!

Note that the father will give him people without instructions who had no notion of the Torah and thereafter, Jesus Christ will train them and transform them for a glorious work. I want to tell someone that it is not a school of theology that qualifies us for the ministry, but it is the Lord who calls us to the ministry. **Ephesians 4:11.**

And when the Lord sends you brothers and sisters with whom you are going to work, these brothers will not be professionals, because he himself will take the time to train them and equip them for service. Whenever you see disputes in the assemblies, it will certainly be wars of interest, certainly linked to these false alliances. Even in science, there are blood types that don't go together. Before working with a brother in the service that the Lord has entrusted to you, reassure yourself that it is YEHOSHUA who sent him. Today I now understand some brethren who say they cannot work with just anyone in the SERVICE the Lord has given them.

Here is yet another biblical story that challenges us in relation to mixing and false covenants. But the people of Israel, ZERUBBABEL, YESHUA (Joshua), and the rest of the leaders of the fathers of Israel will refuse a false covenant.

“Now the enemies of YEHUDA and BENYAMIN heard that the sons of the captivity were rebuilding a temple to YHWH, the ELOHIM of Israel. They approached ZERUBBABEL and the heads of the fathers and said to them: We will build with you! For we seek your ELOHIM like you, and it is to him that we sacrifice since the days of ESAR-HADDON, king of Assyria, who brought us up here. But ZERUBBABEL, YESHUA, and the rest of the heads of the fathers of Israel, said to them, It is not becoming that we should build the house of our ELOHIM together, but we will build it alone for YHWH, the ELOHIM of Israel. , as King Cyrus, King of Persia, commanded us.”

Ezra (Esdras) 4:1-3

The time has come for us, like this people of Yehuda, to refuse false covenants even if we have to suffer the slanderous accusations from our opponents.

One day, during my sleep, I had a dream and in this one, the Lord called me by my name, "CYRILLE". And, when I got up from where I was sitting, I came to him and he laid his hands on me and said, “Through you souls will be saved”, and I woke up.

Thereafter, the lord said to me during my times of prayer: “Do not bind yourself with anyone except according to my orders!” So, as time goes by, I clearly understand the words of the Lord.

BEWARE !!!

Know that not everyone who encourages you in the vision the Lord has given you loves you. Many can smile with you, rub shoulders with you as they await your downfall. As I write these few words, it reminds me of the case of PAULOS (PAUL) who was bitten by a snake. The barbarians were waiting to see PAULOS swell up and drop dead. But, after waiting a long time, seeing that no harm was happening to him, they changed their minds and said that he was a god. I want to tell someone that when the Lord calls you and entrusts you with a work, the Lord himself will take care of bringing it to perfection. As long as PAULOS had not finished the mission for which he was called on earth, he could not die.
